To whom it may concern:

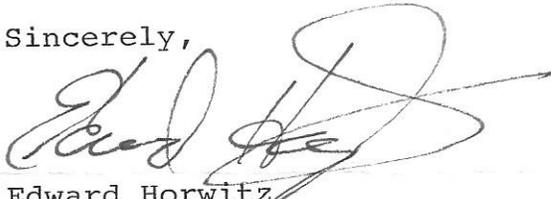

Recently I had the pleasure of working with Doris Lew, on the NBC Television Production of "PERSONAL & CONFIDENTIAL".

Doris did an outstanding job in make-up application for many guests and celebrities including: Joan Collins, Steve Edwards, Valerie Harper, Tom Poston and Christine Belford.

I would not hesitate to hire Doris again for any of my production make-up needs and I can recommend her work highly.

In conclusion, I feel Doris would be an outstanding addition to any production crew.

Sincerely,

Edward Horwitz  
Production Supervisor
